All Residents are required to have a Recreation Pass issued by the District in their possession while using the Recreation Amenities, with exception of the paths and trails. If a Recreation Pass is not in the person’s possession, they and their guests will be asked to leave the area until a Recreation Pass is presented and may be subject to a fine. Recreation Passes are revocable by the district’s manager, or their designee, as set forth in Section 7 of the Amenities Use Policy, if the Recreation Pass holder violates any regulation in the Policy, commits any act of vandalism, engages in unruly conduct or behavior that endangers the Recreation Pass holder, others, or district owned property or adjacent property. Parents or legal guardians of minor children will be held responsible for the actions of their minor children and may have their Recreation Passes revoked as a result of the actions of their minor children. All Residents and their guests are responsible for understanding all PTMD rules and regulations. For more information, please visit <http://www.poudretechmetro.org/>
